Recruitment of an Associate Professor
Institute of Tropical Agriculture, Kyushu University

1. Outline

Kyushu University is seeking an experienced individual with expertise in teaching and research for appointment as one tenured Associate Professor in the International Development Section, Institute of Tropical Agriculture.

Institute of Tropical Agriculture, Kyushu University is one of the joint-use facilities of the university, and involves in conducting research, education and international cooperation on tropical agriculture with three sections, Tropical Crops and Environment Section, Land-Water Resources and Environment Conservation Section and International Development Section. The International Development Section conducts advanced education and research on the conservation of the water environment, which is the foundation of agricultural production and rural life in tropical regions, and on the development and use of ICT (Information and Communication Technology) in agriculture. In addition, this section is strengthening the information dissemination function by building a network with overseas universities and research institutes and also actively engaged in acquiring international development project. The associate professor of the Section participates in the education of master's and doctoral course programs as Graduate School of Bioresource and Bioenvironmental Sciences, and lectures the undergraduate students in School of Agriculture.

The duties and responsibilities of this position are as follows:

1. Outstanding insight and excellent knowledge for research and education in the areas 1) to 3) below,
 - 1) Water pollution and remediation for river water in tropics,
 - 2) Water quality and hydraulic characteristics in a closed water body in tropics,
 - 3) ICT development and utilization for agricultural and rural development in tropics,
2. Actual results of international research activities,
3. Intention to work on international cooperation with enthusiasm,
4. Intention to engage in graduate school education in domestic and foreign universities,
5. English ability to have discussions for international joint research centered on Asia,
6. Ph.D degree holder

2. Required Documentation (provide all documents either in Japanese or English):

(1) Curriculum vitae

(2) List of research achievements

I. Original papers: Name of Authors, Title, Journal Name, Volume, Pages, Published year

(Give underline for the applicant name and * for the corresponding author)

(i) Peer-reviewed papers

(ii) Non-peer-reviewed papers

(iii) International Conference Proceedings

(iv) Others

For (i) Peer-reviewed papers, papers should be categorized into the above-mentioned scientific fields 1), 2), 3) or the other fields 4) and arranged in reverse chronological order for each field.

II. Books: Name of Authors, Title, Name of Publisher, Pages, Published year

III. Review papers: Name of Authors, Title, Journal Name, Volume, Pages, Published year

IV. Patents and Variety Registration

V. Academic awards

VI. Invited lectures at International Conferences

VII. List of public and private research grants awarded: Name of grant (Research Category), Project Title, Project Period, Grant amount, Principal Investigator or Co-Investigator

VIII. Educational experiences

IX. Philanthropic activity

X. Others

(3) Summary of your research activities and future research plans (approx. 800 words).

(4) Summary of your educational experience and aspirations for education in the future (approx. 800 words).

(5) The set of the above-mentioned documents (printed documents and corresponding Word and PDF files on CD-ROM or USB memory stick of items (1)-(4)) should be submitted by registered mail or courier. Please use a reliable service.

(6) Reprints or photocopies of your ten most important publications and their PDF files.

(7) Self-recommendation: A letter of self-recommendation, stating your suitability for the post, together with the names of two referees with the position, affiliation, and contact information (E-mail address) for your research activities and educational experience (Please submit it with other documents).

Recommendations by others: A referee's recommendation letter with the nominator's name,

position, affiliation, and contact information (E-mail address) or please send directly from the referee to e-mail, nossyomu@jimu.kyushu-u.ac.jp .

(8) Submitted documents/CD-ROMs/USB memory sticks will not be returned to the applicants.

Template files for the documents (1) and (2) can be downloaded from the following URL.

<http://www.agr.kyushu-u.ac.jp/template/>

3. Application Deadline:

Completed applications must arrive at Kyushu University by May 13 noon, 2022 (Japan time).

4. Contact and submission of the application documents:

[Submission by postal service from within Japan]

One set of the printed documents should be submitted by registered mail or courier. Please use a reliable service. On campus mail or hand-delivery cannot be accepted. Clearly mark on the envelope in RED “Application for the position of Associate Professor in Institute of Tropical Agriculture, Kyushu University”.

Prof. Kazuaki Hiramatsu

Chair of the Screening Committee

c/o General Affairs Section,

Faculty of Agriculture, Kyushu University

Motooka 744, Nishi-ku, Fukuoka, 819-0395, JAPAN

E-mail: nossyomu@jimu.kyushu-u.ac.jp

[Submission by online from overseas]

In the case of online submission, all documents required for submission should be zipped and uploaded via a Proself file sharing system (all file names must contain your initials). Please email General Affairs Section, Faculty of Agriculture, Kyushu University (nossyomu@jimu.kyushu-u.ac.jp) by noon on May 9, 2022 (Please write “Kyushu University ITA Associate Prof. Application-your name” in the subject line of the email). He will put a link for uploading documents in the reply email, so you can open the link and upload it. Please email General Affairs Section, Faculty of Agriculture, Kyushu University again when the upload is complete. He will send the email confirming that he received the submission file from you.

5. Date of Appointment and Employment Duration:
